塑易科技有限公司 **PLASTRADE TECHNOLOGY BERHAD**

Plastrade Technology Berhad ("PLASTRADE") principally engaged in the manufacturing and distribution of various plastic raw materials for diversified industries.

PLASTRADE has since developed into a formidable force as wire and cable compounds in the Asian region; for power, telecommunication and automotive industries.

With head office in Johor Bahru, Malaysia; PLASTRADE has expanded operations throughout Malaysia as well as Shanghai, China.

Today, PLASTRADE's international network comprises of manufacturing, distributorship and agent channels in China, ASEAN countries, Europe, Turkey, United Arab Emirates (U.A.E), Taiwan, Middle East, Indian sub-Continent, Portugal, South America, Fiji Island, Africa and Mauritius

Striving to reach excellence in product quality and service, PLASTRADE relies on the outstanding performance and synergy of its companies to meet the challenges ahead in future frontiers.

In line with our Mission to produce high performance products/ compounds which are well accepted by industries worldwide, we welcome suitable talent to join us.
